### LOST AND FOUND

Our lost and found table has too many items sitting on it. It is heartbreaking to walk past them in the cafeteria each day, look at the shirts, sweatshirts, and other articles of clothing knowing someone is missing these items. Please have your child stop by the table, which is on the stage, during their lunch and go through the items to see if there is anything belonging to them.

Greetings San Jose Family,

The holidays are a sweet reminder that we should pause and enjoy time with our loved ones. This time of year can be tough on many individuals who lost a loved one or have experienced any other life altering events around this time of year. I encourage everyone to be a little kinder, more tolerant of one another and share the magic of the holiday season via a smile, a hug or a listening ear.

We are doing all we can to keep students uplifted and motivated every single day. For most it is well received and for others it takes a little more encouragement and effort to help them see the value of doing their best. We ask that you continue to support us in this endeavor so that students can view us partners in their education. If you have any concerns, please know that we are here to support you and your child in any way so do not hesitate to email or call.

On a final note, December 15th is dress down day. Just a reminder that ripped jeans, sweatpants, cropped tops or tees with inappropriate logos are not permitted. This year I am adding a winter holiday spirit week (3 days) to extend holiday cheer throughout the San

Jose family. This will be the final newsletter for 2017 so have a wonderful weekend and **Happy Holidays!!**

Mrs. Carolyn E. Aponte
